Boston, May 3<sup>rd</sup> 1889

My Dear Charles,

I remember distinctly answering  
the Order of W. J. Shepard, and my  
recollection of the circumstances is  
that Mr. McNeil's proposal, I think  
I used to arrange with Cyprine Cundy,  
and I was informed by Mr. McNeil  
a recollection of Cyprine I believe that  
Cyprine voted at its regular Conference to  
grant release jurisdiction and that the  
matter must be forth coming in  
a few days. After that, the matter  
I find from my mind, I cannot  
recall now who the parties were, but  
I acted in good faith, believing that all  
necessary steps had been taken to make  
the matter all straight & only lacking  
the written permission of Cyprine. If you  
will give me the name of his proposer  
I will see him and set at all the  
facts. Please assure Mr. Merrill that  
I thought I had done everything that

Frederick Sanford  
John O. Bunker  
Frederick Sanford

was right proper & courteous to Cyprus  
Commandery, and that I was in-  
formed by some one, a member  
of Cyprus, that they had voted to  
release jurisdiction at an regular  
conclave, in accordance with  
my request, and the time was so  
short, I acted on that assurance  
expecting to receive the document  
in a day or two after. If he is  
not satisfied, I will be personally  
informed, & will then matter up and  
give him the names of the parties  
from whom I got my information.
